Pipeline Infrastructure Improvements Update

**Dominion Energy Ohio Gas Pipeline Infrastructure Replacement Project –
PIR 3625 – East 49th Street
(City of Cleveland - Ward 12)**

CLEVELAND – On Monday June 26, 2023, weather permitting, Dominion Energy Ohio's gas pipeline infrastructure replacement project will be implementing a road closure to continue restoration work on the following street:

- Fleet Avenue – East bound lanes at the intersection of Fleet Avenue and East 49th Street

The improvements include replacing the old steel mainline with a new steel mainline in the road and sidewalk area. A road closure detour will be established which will allow traffic to access the surrounding area. Access to adjacent driveways will be maintained throughout construction. All zones will be removed at the completion of the work on Fleet Avenue. The work on the street will take place Monday through Friday from 7 a.m. to 5 p.m. with a project schedule for completion by June 31 2023.

Traffic east bound on Fleet Avenue during the project will be maintained as follows:

- East bound Fleet Avenue traffic will be detoured north on East 49th Street to Chard Avenue, then south on East 50th Street back to Fleet Avenue.
- Truck traffic East bound Fleet Avenue will be detoured north on East 49th Street to East on Pershing Avenue. Then head south on Broadway Avenue back to Fleet Avenue

Should there be any questions, please contact Matt Lenke - Hill International at 330-353-7111.

Editor's Note: Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
